## ADJUSTABLE SHELVING

# CONFIGURE EVERY INCH OF SPACE TO YOUR NEEDS

Turn your space into exactly what you need with PRORACK™: a complete system of sturdy, readily movable surfaces.

Configure it to function as a desk, material storage, pipe rack, tool rack, or a combination of them all. PRORACK™ optimizes your space like never before.

## BUILT-IN CHANNELS TO RUN CORDS

## WORKSTATION

## UNLEASH NEW POSSIBILITIES WITH YOUR SPACE

### ENTIRELY FLEXIBLE WORKSPACE

Set up your PRORACK™ system exactly how you need it. Then when your needs change, shift and shape it to match.

### ORGANIZE YOUR SPACE

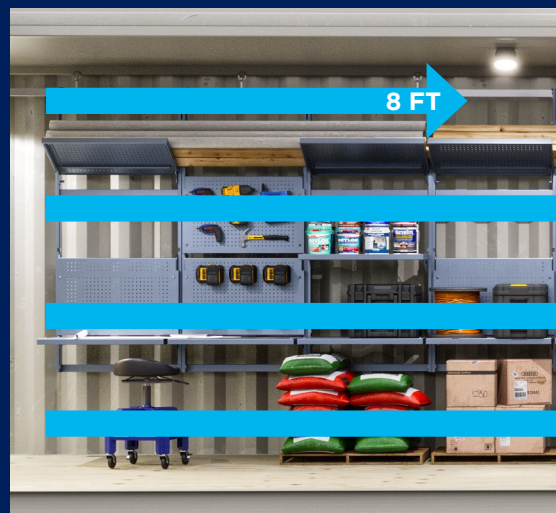

When your space is organized, you can get more done. PRORACK™ helps you skip the time wasted procuring equipment, because you'll already know where everything is.

### QUICK AND EASY SETUP

PRORACK™ comes pre-installed in your unit, meaning you can spend less time on setup and more time getting the job done.

### MAXIMIZE YOUR CAPACITY

From 200-pound capacity pegboards to 300-pound-per-shelf capacity on surfaces, PRORACK™ can handle it all, and meets the highest standards of BIFMA and ANSI certification.
